FOR IMMEDIATE RELEASE

The Terror of the Big Top begins this Friday at Screams!

Dallas/Fort Worth, TX (September 29, 2014) This Friday, October 3, 2014 Screams® Halloween Theme Park kicks off its 19th season with the unveiling of the terror of the big top at the *all new* CarnEvil Clown Maze and major new frights to its signature Haunted House – the Castle of Darkness.

The CarnEvil Clown Maze has twists and turns that are not for the faint of heart with malevolent clowns from the realm of the undead coming at you from every direction. There is no place to hide from the corrupt midway barkers, sinister ringmasters, villainous roustabouts and monstrous side show freaks – whatever your fear is they will find it in the CarnEvil Clown Maze. Just try to escape the evil... if you can!

The Castle of Darkness has new passageways leading to untold horrors deep within its dungeons and an updated, and totally terrifying, theme throughout the Castle paying homage to the Classic horror stories like Frankenstein, Dracula and the Werewolf.

Screams® Halloween Theme Park presented by MetroPCS is the ultimate Halloween experience with haunted houses and a whole lot more! It's a full night of thrills, chills and guaranteed moments of terror every Friday and Saturday night in October through Halloween Night, Friday October 31, 2014. Screams® features three haunted houses – the Castle of Darkness, Hotel of Horror and the 3-D Pirates of Peril Point and additional fright attractions the Ghoulish Graveyard and the *all new* CarvEvil Clown Maze. And the best part is that you can go through the haunted houses & attractions over and over again - all for one price!
